

Scan me, Piu ♥

POINT YOUR CAMERA HERE

*Hey Piu di – happy 23rd birthday to
you.*

*There's a QR code on the back of this
card. Scan it when you have a moment
– but some things still deserve ink, and
a hand.*

*Twenty-three looks unfairly beautiful on
you. Here's to this year, and to forever,
starting now.*

Mun tumaku bhala pae ♥

Endlessly yours.
